

Boulder Valley Health
Center Annual Gala

NOW MORE THAN EVER

*Supporting Reproductive
Freedom has never been
more important!*

SEPTEMBER 14TH 2024

The Event

The evening will include live and silent auctions and a paddle raise.

A Boulder County favorite, Blackbelly Market and Restaurant, will provide dinner.

Local artists will provide a variety of performances, all certain to entertain and enliven the event.

Our Commitment

We value our partnerships and will serve as good stewards of your generous investment.

We are committed to delivering valuable benefits and a positive partnership experience to each sponsor.

Accordingly, we will customize sponsorships to meet specific marketing objectives and to enhance your partnership with BVHC.

Boulder Valley Health Center's reimagined annual fundraising gala promises an evening of fun and festivities along with updates about the important work of the clinic and the challenges it faces in the current political environment.

Prepare for an evening on the edge of your seat!

BVHC is dependent on donations and grants to continue its mission of providing reproductive and sexual health services, abortion and gender affirmation care and education to all.

This includes those unable to access high-quality and equitable healthcare without financial support.

60% percent of our clients require reduced or no-cost services.

We offer the most affordable reproductive health care in Boulder County.
